MY FRIEND--A WORD WITH YOU.

Do you know that every man who de-
sires to vote at this election must regis-
ter ANEW? Even if you have REGISTERED
and VOTED before, you must register
again under the new Election Law to
vote this year.

Do you want the Republicans to carry
the election and have your neighbors
arrested and put in jail as in 1898? If
not, REGISTER and VOTE the DEMOCRATIC
TICKET.

Do you wish the negro to get control
of your county and State? If not, regis-
ter and vote for the DEMOCRATIC
NOMINEES.

Do you not know that EVERY NEGRO
in the State will REGISTER and VOTE?
Then so must every WHITE MAN.

Do you want negro Yankee soldiers
with drawn bayonets to meet you at the
polls and dictate to you how to vote? If
not, secure your name in the
registration books, and do not fail to
vote the straight Democratic ticket.

You can't register after Oct. 24th--so
REGISTER AT ONCE. Don't say you
have not time--take time--YOUR HAP-
PINESS depends on it, the GOOD NAME
and PROSPERITY OF YOUR STATE depends on
IT; HONEST GOVERNMENT and WHITE MAN'S
CONTROL depends on IT. DON'T WAIT.
Delay may cost the defeat of the party.

Democratic papers will please
copy and keep at the top of the column
of each issue until the election.

PROTECTION OF THE RICH.

What earthly excuse can be given for
taxing the coarse blankets and woollen
goods, used by the mass of people, higher
than the fine blankets and fine woollens
used by the rich? This is done by put-
ting a portion of the tax on the weights
of the goods instead of the value, and
as the coarse blankets, coarse wool hats,
&c., are heavier than the fine ones, they
pay the heavier tax. The rich man is
able to pay the tax, and if there is to
be any discrimination it ought to be in
his favor; but our Republican friends
want him PROTECTED!!! The protected
rich man furnishes the campaign fund
to Quay, Dudley & Co.

INGALLS was only speaking for the
Radical party when he said that "truth
and honesty had nothing to do with po-
itics," that it was a trade in which suc-
cess was the aim. He thinks his party
is the party of success and they can hold
you by bribing the corrupt, overawing
the timid, and buying the votes of the
needy. Let honest men show by their
votes that he is mistaken.

The McKinley Tariff protects the rich
and robs the poor. Every thoughtful,
honest man ought to register and vote
to rebuke it.

By neglecting a PUBLIC DUTY you may
injure your neighbors, your friends and
your children. Don't neglect a PUBLIC
duty.

HOW THE TARIFF WORKS.

Coarse, common glass, used by com-
mon people, pays more than four times
as much tax, according to its value, as
FINE PLATE glass used by the rich. When
Vance asked the Republican Senators to
give a reason for this, they were as dumb
as oysters, but they knew what the rea-
son was. They were commanded to do
it by the rich millionaires who furnished
the money to the corruption fund to
keep them in power. These rich men
furnished the campaign fund by the
\$10,000 and the \$100,000, and did they
not have the right to order the men
whom they had put in power, to pro-
tect them? The honest poor man con-
tributed nothing to Quay's campaign
fund, and what right had VANCE to in-
terpose with their duty to their masters?
It was their business.

HERE'S A PENSION DECISION.

(Sanford Express.)

WASHINGTON, D. C. Oct. 7.--Assistant
Secretary Bussey to-day decided that a
soldier who was stabbed in a house of ill
fame, and had to be discharged from the
service for disability, was in the line of
duty at the time, and is entitled to a
pension.

He was in the line of duty says the
Assistant Secretary and got a pension.
No doubt he was. He was disabled in
the army of the Union according to Mr.
Bussey, yet we are told that the Repub-
lican party is not responsible for this
shameless and bare faced robbery. There
are thousands of claims granted with no
more show of justice than the above. A
newspaper by the way of apology will
say that it is a set of cormorants and
parasites have gathered hold of the
teats of the government and for whose
presence and existence the Republicans
are not responsible. Go tell it to the
marines, but not the intelligent people
of America. If there is any thing that
the Republican party is responsible for
in this country it is the parasites, the
cormorants and the vandals that are now
looting the treasury in the name of gra-
titude to the Union soldier for saving the
country.

THERE can be no division among white
men in North Carolina so long as we are
surrounded by a solid wall of negro vot-
ers. If the negroes would only lay
aside their prejudices and divide their
votes, then the white men might afford
to differ. But they cannot afford to di-
vide in North Carolina under present
conditions.--E. C. BEDDINGFIELD in State
Convention of Democratic Clubs.

The Radicals in Moore county are
abusing the Sanford Express. The
Democratic paper that is not abused by
Radicals is not doing its duty to the
people.

It is your PUBLIC DUTY to register and
vote. Do not neglect it, and if you
have a thoughtless friend or neighbor,
see that he does not neglect it.

WINSTON-SALEM NEWS.

[Special Cor. STATE CHRONICLE.]

WINSTON, N. C., Oct. 16, 1890.--This
morning Deputy Collector, W. J. Ellis
of the Winston office, left here for States-
ville. W. W. Rollins, the new collector
of Revenue for this district, will take
charge of his office on to-morrow, and
he ordered Mr. Ellis to close the office
here and send his statements with all the
stamps on hand, to the Statesville office.
It is not yet known whether Mr. Ellis
will succeed himself or not, but I am
certain that Mr. Rollins could not find a
better man for the place in the Republi-
can party, and if he wants to keep on
the good side of the manufacturers and
stamp buyers of the Twin City, he had
better either reappoint the present in-
cumbent or another man who under-
stands things perfectly and will not de-
lay them a moment in their shipments
as nearly every new man does for a week
or so. Mr. Ellis informed my corres-
pondent yesterday that since Mr. Eaves
went into office on July 1, 1890, there
has been very nearly a million dollars
worth of stamps sold.

Evening before last at the residence
of the bride's mother, in this city, Mr.
W. W. SMOAX, one of our most popular
and promising young men was united
in marriage to Miss Julia Roan justly
termed one of the most charming and
accomplished young ladies of the Twin
City. The couple left on the evening
train for northern cities followed by the
very best wishes of friends.

Today at Reidsville the Winston-Sale-
m District Y. M. C. A. Convention
convenes. Secretary Eugene L. Harris,
accompanied by a delegation from the
Winston-Salem Y. M. C. A., left this
morning to attend. A large crowd is ex-
pected to be present.

There are more men here from a dis-
tance prospecting than I have ever
before noticed. Prominent parties from
New Bern, Kinston, Wilmington, and
Raleigh are making large investments
here.

For the promotion of vocal culture in
our city schools Mr. C. H. Addison,
Manager of the Standard Music House
here has offered a gold medal to that
pupil who will show the most improve-
ment in vocal music the coming year.
Prof. C. R. Brown, the instructor was
offered a silver medal for the second best
and Prof. Blair a book for the third best.
M. VICTOR.

HUNTING FOR COONS.

(Sanford Express.)

John F. Reynolds the Republican can-
didate for the House from this county
caught forty coons last season. He cal-
culates on catching a thousand this
season, that is on the fourth of November,
but he has not yet told the coons whether
or not he will vote for Sevierlock.

The Democrats of Pender have renom-
inated Mr. Robt. Charles Johnston for
the House. He served in the last Leg-
islature with great acceptability, and
we are glad to know that he is to come
back.

H. & R. D.

THE ONLY HONEST REPUBLICANS.

Now and then you find an honest old
white Republican in Eastern and Central
North Carolina, but according to Mr.
W. Y. JONES (a life-long R-publican),
two out of every three are scoundrels.
That is what he says. That is evidence
from a white Republican.

Now let us give evidence from a promi-
nent and influential negro. In the issue
of the Gazette of August 9th, its editor,
JOHN H. WILLIAMSON (col.), said:
The Gazette represents the negro, THE
ONLY HONEST REPUBLICAN LIVING.

Is not this evidence sufficient?

DEMOCRATIC SUCCESS

Is Essential to Carry out the Legisla-
tion Desired by the Alliance.

Mr. E. C. Beddingfield, Secretary of
the State Farmers Alliance, spoke to the
Moore county Alliance last week and
did good.

He told the Alliance that the issue in
politics in North Carolina was still be-
tween the whites and blacks, that the
negroes had nominated men of their own
color wherever they could, and that THE
ALLIANCE COULD EXPECT NOTHING FROM
THE REPUBLICAN PARTY. In this State
its conventions had not endorsed any
part of the Alliance platform, while
Democratic conventions had. Without a
Democratic majority in the coming
legislature, the Alliance can effect no
legislation, get no railroad commission,
&c.

DEMOCRATIC SUPREMACY A NECESSITY.

(Senator Vance at Raleigh.)

I know a Radical institution near this
city, where they wear striped uniforms,
and I can go there and pick out 500 men--
the very meanest of whom I would take
for my associates, rather than associate
with a man who says that Southern peo-
ple are not honest enough to conduct
and carry on their own elections. This
is a time when every man whose hair is
straight and whose skin is white, ought
to take his neighbor by the hand and
say, we are at a period when we should
subordinate our local preferences and
differences to the good of the State, and
stand together in support of a white
man's government and pure government,
and keep alive and permanent that free-
dom which is based, beyond a doubt,
on Democratic supremacy.

WORD OF WISDOM.

[Extract from a private letter from a
thoughtful, progressive and successful
farmer of Mecklenburg county, who is
an Alliance leader.]

A white man that reads the CHRONI-
CLE and fails to vote the Democratic
ticket is in a lost condition and should
have his permit made out and signed,
and that Alliance man who wants to see
the Alliance carry out the great prin-
ciples of truth and right for which we
are contending and FAILS TO VOTE THE DEMO-
CRATIC TICKET CERTAINLY HAS A POOR WAY
OF PROVING HIS LOYALTY TO HIS ORGA-
NIZATION. If the Democratic party goes
down the Alliance is doomed.

If VANCE's record for a quarter of a
century is not enough to prove him a
friend of the farmer, how could he prove
it? Go on with your manly course and
remember you are fighting the battles
for the white men of North Carolina,
and may the God of battles guide and
sustain you in your defence of the right.

You must register before the
night of Oct. 24th, or you can't vote in
the next election. No matter how many
times you have registered before you
must register again or you will lose your
vote!

THE National Congress has heard our
cry of distress and is trying to come to
our relief by the Federal Election Law:
Yes, I am in favor of a President who will
put a man-of-war in every port from
Maine to Florida to see that the law is
enforced; and I am farther in favor of a
President who will put a man with a bay-
onet at every ballot box, to see the pro-
visions of that law enforced.--STATE
SENATOR V. S. LUSK, in Republican
State Convention.

THE SUCCESS OF THE

Provident Savings Life Assurance

SOCIETY

- OF -

NEW YORK

Is attracting wide attention, for the fol-
lowing reasons:

1st. The increase in the amount of
new Insurance in 1889 was '66 per cent.
over that of the previous year.

2d. New business in 1889 nearly
twenty millions of dollars.

3d. The ratios of payments for Death
Claims and Expenses to amount at
Risk are LOWER than those of the
oldest and largest Life Insurance Com-
panies of New York; and the Ratios of
Assets to Liabilities in the Provident
Savings Life are LARGER, being \$206
for every \$100 of Liabilities, while in
the three largest of the New York
Companies the Ratios are as \$127, \$118
and \$108 to every \$100 of their Li-
abilities.

4th. Life Insurance at ACTUAL COST,
that brings insurance within the reach
of many heretofore unable to carry it.

5th. It never costs one-half the price
charged for it in "Best Old Style Life
Companies," whose experience proves
that hardly 39 percent of their Prem-
ium Receipts were necessary to insure
the lives of their Policy-holders; while
the balance was used

besides insurance.

6th. Past experience shows that the
better the plans of the Society are
known, the greater its income becomes.

To know what these plans are, call at
the Company's office in Greensboro,
N. C., or on any of my Agents in the
State.
